_____ **LEVEL ONE** 8:00 am to 9:15 am

Designed for the beginning or minimally experienced pitcher. If you have never attended a formal clinic or never received basic pitching instruction you should register for this session. **NO CATCHERS PERMITTED.**

_____ **LEVEL TWO** 8:00 am - 9:15 am or 9:15 am – 10:30 pm

Set up for the pitcher who has some experience or has already gone through our level one course. To be eligible a pitcher should have good fundamental pitching mechanics (motion) and understands the fastpitch terminology. **CATCHER REQUIRED**

_____ **LEVEL THREE** 10:30 am - 11:45 pm or 11:45am - 1:00pm

To register for this level you must demonstrate good control and have a minimum speed of 50 MPH. You should be able to pitch to locations. This level will teach change-ups and work on improving your pitching speed. You will be introduced to a breaking pitch as soon as you demonstrate command of locations and change-ups. **CATCHER REQUIRED**

_____ **LEVEL FOUR** 11:45am - 1:00pm or 1:00 pm - 2:15 pm

This is an advanced and challenging level. To be eligible you must be able to throw at least 58 MPH and completed Level Three. You must have prior varsity or summer league pitching experience with a record of success. You should be able to hit four locations with your fast ball, have total command of your change-up and at least one breaking pitch. You will learn additional change-ups and breaking pitches. **CATCHER REQUIRED**
